

Mr. Vaseem Anvar

Echo West International (Private) Limited
113 E-I, Gulberg-III, Lahore.

Vaseem Anvar has been actively and rigorously participating in the engineering and construction industry to witness its dynamic growth in Pakistan. Very well known for his leadership skills, his hard work attitude has proven him an exuberant Chief Executive within the organization. After spending early days of education, he migrated to the United States of America for the higher education from the highly reputable institution, which was the prophecy of his parents by looking at his remarkable achievements in his early school years.

Vaseem attained his B.S. in Economics and Construction Management from the highly regarded educational institution, University of California at Berkeley. After obtaining the MBA degree from the highly accredited respected Stanford University, with the emphasis on Global Expansion and Cutting Edge Competitiveness, he joined Echo West International.

In a shorter period of time, under the guidance of Vaseem Anvar, the firm became a major player in executing the prominent Community Building, Commercial, Industrial and large size Infrastructure Projects in the areas of Oil & Gas Plants, Oil Refineries, Power Plants, Industrial & Petrochemical Plants, Water Sector (Hydroelectric Power Plants, Dams, Drainage and Irrigation), Airports, Roads, and Bridges.

Under the vision and twenty six years management experience of Vaseem Anvar in the areas of design, planning, construction, construction management, real estate development, the firm has experienced consolidated growth in Pakistan and International markets. Being an active member and part of the Executive Management of American Business Forum (ABF), he has taken this challenge to make it one of the most prominent organization that protects US businesses' interest and their continuity in Pakistan.
